RE: Application Notice  
10100 Sand, Reservoir A  
10200 Sand, Reservoir A  
Jeanerette Field  
St. Mary Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Northcoast Oil Company to the Commissioner of Conservation for the calling of a public hearing after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the 10100 Sand, Reservoir A, and the 10200 Sand, Reservoir A in the Jeanerette Field, St. Mary Parish, Louisiana, to wit:

**10100 Sand, Reservoir A**

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the above sand and reservoir in the Jeanerette Field, St. Mary Parish, Louisiana.
2. To create a drilling and production unit for the sand and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created on a surface acreage basis of participation.
3. To designate a unit operator and a unit well for the unit so created.
4. To provide that any future replacement and/or alternate unit wells for the unit so created be exempt from the well location provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner of Conservation may reclassify the unit so created, by Supplemental Order and without the necessity of a public hearing should such a reclassification be warranted based on evidence furnished to the Commissioner.

6. To consider any other matters that may be pertinent to this application.

The 10100 Sand, Reservoir A, in the Jeanerette Field is hereby defined as that gas and condensate bearing sand encountered between the depths of 10,249' and 10,284' (electrical log measurements) in the Northcoast Oil Co. – Allain Land Co. No. 1 Well, located in Section 33, Township 13 South, Range 9 East, in the Jeanerette Field, St. Mary Parish, Louisiana and is further defined as that gas and condensate bearing sand encountered between the depths of 10,130' and 10,185' (electrical log measurements) in the Atlantic Refining Co. – Adeline Sugar Factory No. 16 Well, located in Section 37, Township 13 South, Range 9 East, in the Jeanerette Field, St. Mary Parish, Louisiana.

**10200 Sand, Reservoir A**

1. To dissolve the 10200 RA SU A created by Order No. 316-AA, effective August 15, 2006, and simultaneous therewith, to create a revised unit therefore.

2. To establish rules and regulations governing the exploration for and production of gas and condensate from the above sand and reservoir in the Jeanerette Field, St. Mary Parish, Louisiana.

3. To create a drilling and production unit for the sand and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created on a surface acreage basis of participation.

4. To designate a unit operator and a unit well for the unit so created.

5. To provide that any future replacement and/or alternate unit wells for the unit so created be exempt from the well location provisions of Statewide Order No. 29-E.

6. To provide that the Commissioner of Conservation may reclassify the unit so created, by Supplemental Order and without the necessity of a public hearing should such a reclassification be warranted based on evidence furnished to the Commissioner.

7. To consider any other matters that may be pertinent to this application.

The 10200 Sand, Reservoir A, in the Jeanerette Field, St. Mary Parish, Louisiana, was fully defined in Office of Conservation Order No.316-AA.

All pertinent data relating to the subject application for the above sand can be purchased AT THE COST OF THE REQUESTING PARTY from the author of this letter.

The applicant will provide for POSTING of the legal notice of the hearing and unit plats in a prominent place in the area of the Jeanerette Field, St. Mary Parish, Louisiana,

and will cause the legal notice of the hearing to be PUBLISHED in a newspaper of general circulation published in the vicinity of the Jeanerette Field, St. Mary Parish, Louisiana, at least fifteen (15) days before the hearing date.

The pre-hearing conference as scheduled in the pre-application notice **WILL NOT BE HELD** since a request for this conference was not received from an Interested Party, Interested Owner or Represented Parties receiving a copy of the notice.

Plats outlining the proposed units were attached to the pre-application notice that was sent to all Interested Parties, Interested Owners and Represented Parties. A list of the names and addresses of the Interested Parties, Interested Owners and Represented Parties who are being furnished a copy of this application was attached to the pre-application notice and is available to all Interested Parties, Interested Owners and Represented Parties upon request. A reasonable effort was made to ascertain the names and addresses of all Interested Parties, Interested Owners and Represented Parties as required by the Rules of Procedure. Also, enclosed is remuneration for the hearing fee made payable to the Office of Conservation.

Very truly yours,

Anthony S. Carollo, Jr.
